Drive on the fun side

Introducing the new 3rd generation Honda Jazz.

From a revolutionary design, to a more luxurious interior, higher performance and smart innovations, the new 3rd generation Honda Jazz is ready to deliver all the fun of driving.

Jazz 1.5

Jazz 1.3

The new language of design

The new Jazz arrives with 'Exciting H', Honda's latest design philosophy that embodies 'High Tech', 'High Tension' and 'High Touch'.

Sporty chic

From the sporty front grille and side sills, to the elegant headlights and rear lights, alloy wheels and sleek aerodynamic lines across both sides of the car, the new Jazz inspires impressions of a modern, sporty, fun and compact car.

Specifications may vary from model(s) shown.

Make space for all things fun

Take a full load of passengers out for a spin or configure the smart, versatile ULTRA seats into any of the four modes – utility, long, tall and refresh – to carry everything big and fun without limiting passenger comfort.

Utility mode

Lower both rear seats to maximise the cargo area. Easily store large items such as bicycles on the full flat floors.

Long mode

Recline a front and rear seat to create a long storage space for items such as surfboards to be easily loaded.

Tall mode

Fold up the rear cushions to create a storage area that's perfect for taller objects, such as potted plants and shrubs. The rear cargo area remains unchanged so it can be used for other purposes.

Refresh mode

At rest stops, recline the front seats with their headrests removed to create a perfect space to relax and enjoy a break from driving.

Specifications may vary from model(s) shown. Images of seats shown are for illustrative purposes only.

Endless fun with smart technology

Conveniently enter the new Honda Jazz with the smart keyless entry system and start up the engine just by pushing a button.

Have fun driving with paddle shifters, and easily activate cruise control or Siri® Eyes Free to use voice commands to make calls with the Bluetooth® handsfree telephone system, all from the steering wheel.

Whether you're taking a short drive out or going on a long journey, the 7" touchscreen display audio system will keep the entertainment going.

Performance meets efficiency

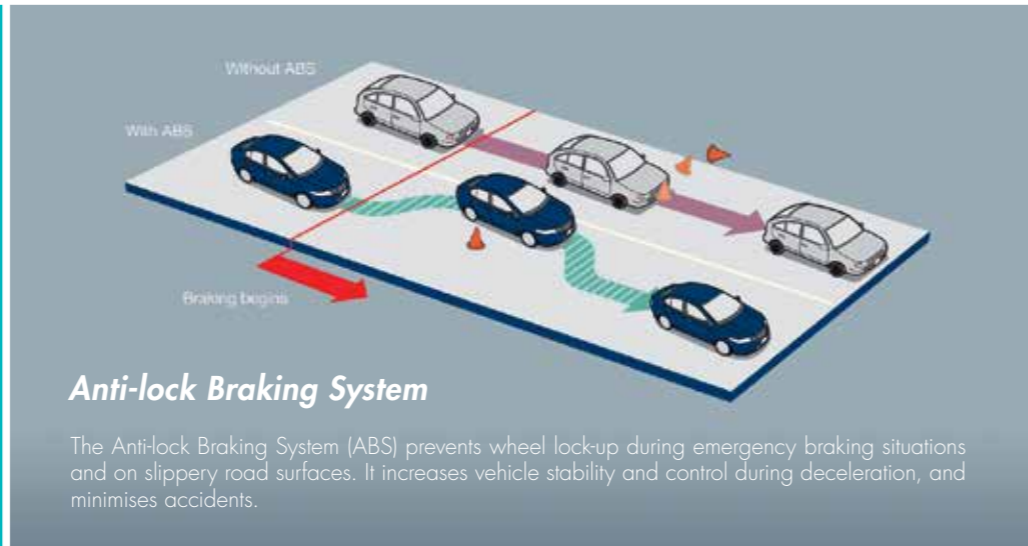

Innovations continue under the hood with the Earth Dreams™ Technology 1.3L and 1.5L DOHC i-VTEC® engine that marries performance and fuel efficiency. Choose between the newly designed 1.3L Atkinson cycle DOHC i-VTEC® engine or the latest 1.5L direct injection DOHC i-VTEC® engine – both complemented with the Honda Earth Dreams™ CVT gearbox.

Specifications may vary from model(s) shown.

Safety reassured

When it comes to safety, the new Honda Jazz has got it covered with an advanced Multi-angle Rear-view Camera that comes with three selectable rear views to aid in every reversing situation. The Anti-lock Braking System, Vehicle Stability Assist™, Hill Start Assist, Emergency Stop Signal and airbags complete the range of vehicle safety.

Hill Start Assist

Hill Start Assist helps drivers to accelerate smoothly from a stop position on an inclined surface.

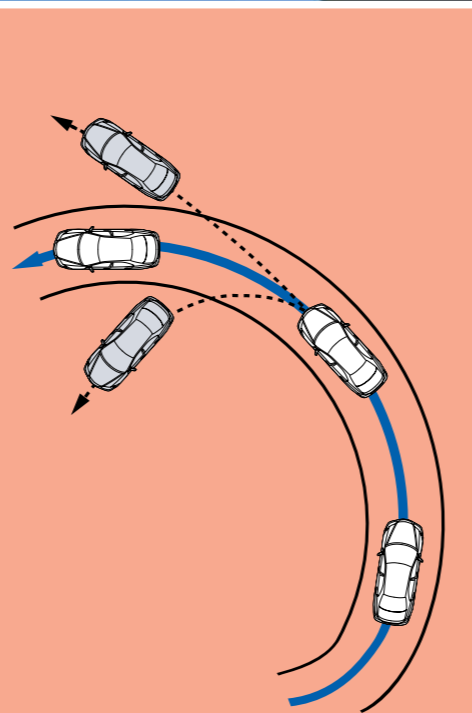

Multi-angle Rear-view Camera

The Multi-angle Rear-view Camera lets drivers conveniently choose from three different rear views to assist when reversing.

Emergency Stop Signal

The Emergency Stop Signal (ESS) automatically activates the brakes and the hazard warning lights when it detects an emergency stop situation.

Vehicle Stability Assist™

The Vehicle Stability Assist™ (VSA™) system regulates the engine's output and selectively applies the brakes, helping to maintain traction on slippery roads. During cornering, VSA™ helps bring the car back on track when it deviates from its correct path.

Fun colours

The fun of the new Honda Jazz extends to the range of vibrant colours, all designed to complement every lifestyle.

White Orchid Pearl (NH788P)

Helios Yellow Pearl II (Y70P)

Sunset Orange II (YR585)

Rouge Amethyst Metallic (RP58M)

Milano Red (R81)

Premium Agate Brown Pearl (YR633P)

Skyride Blue Metallic (B619M)

Brilliant Sporty Blue Metallic (B593M)

Midnight Blue Beam Metallic (B610M)

Lunar Silver Metallic (NH830M)

Shining Gray Metallic (NH880M)

Crystal Black Pearl (NH731P)

Specifications may vary from model(s) shown.
