

TOYOTA

ALWAYS BETTER.

RAV4

DISTINGUISH YOURSELF

Distinguish yourself
with the bold
choices you make.

The RAV4.

**STAND APART FROM THE REST
ON AND OFF THE ROAD**

RAV4. For those with a taste
for the refined and the guts
for off-road exhilaration.

HEAD-TURNING DESIGN

- Boldly sculpted body panels
- Strikingly attractive chrome front grille
- LED Headlamps with Daytime Running Lights
- Striking LED Rear Combination Lamps

AVANT-GARDE INTERIOR

- High quality craftsmanship with leather upholstery all around
- Ergonomic front and rear seats
- Spacious and versatile interior

CLASS-LEADING TECHNOLOGY

- 2.0L Valvematic Dual VVT-i engine with Start/Stop Technology
- 7-speed CVT
- Full Colour TFT Multi-Information Display
- Dynamic Torque Control AWD System
- Keyless entry and push start
- Paddle shift switches
- Power back door with memory function

BEST-IN-CLASS PROTECTION

- 7 SRS Airbags
- Anti-Lock Braking System (ABS)
- Vehicle Stability Control (VSC)
- Hill Start & Downhill Assist (HAC + DAC)
- Front and rear sensors
- Comprehensive Anti-Theft System

Head-turning Design

Expressly confident in its distinctly superior design

AUTO LED HEADLAMPS ENHANCED APPEAL & VISIBILITY

The sleek auto LED Headlamps with automatic levelling enhance night presence, while the LED Daytime Running Lights make the car visible to on-coming vehicles. For added safety, Follow-Me-Home Function keeps the headlights on for 30 seconds after the engine has been switched off.

AERODYNAMIC WING MIRRORS WITH SIDE TURN SIGNALS SUPERIOR AERODYNAMIC PERFORMANCE

Uniquely designed wing mirrors with aero-stabilising fins ensure handling stability and enhance appeal. In addition, power retractable mirrors offer convenience when parking, while side turn signals lend added visibility when turning.

FRONT GRILLE DISTINGUISHED LOOK

A chrome plated front grille fans out to the headlamps, giving the RAV4 a sleek and captivating look. The bumper is also chrome plated to complete its refined presence.

NEWLY DESIGNED 17" ALUMINIUM RIMS SPORTY APPEAL

A new rim design graces the RAV4, while its low rolling resistance tyres add to better fuel efficiency.

LED REAR COMBINATION LAMPS PROGRESSIVE DESIGN & ENHANCED AERODYNAMICS

The newly designed LED rear combination lamps achieve an elongated design for a progressive and edgy look. Aero-stabilising fins on its outer lenses ensure handling stability.

POWER BACK DOOR WITH MEMORY FUNCTION ONE-TOUCH CONVENIENCE

For ultimate convenience, the Power Back Door can be operated with a single touch. In addition, the in-built memory setting remembers the preferred opening height. Height settings can also be adjusted from the Multi-Information Display.

Avant-Garde Interior

Indulge in the well-appointed interior that's crafted with the finest materials

SMART ENTRY AND START ADDED CONVENIENCE

Set off on your journey conveniently and effortlessly with the keyless entry for both front doors, followed seamlessly by a push ignition system.

STEERING WHEEL CONTROLS CONVENIENCE AT YOUR FINGERTIPS

A leather wrapped steering wheel with cross-type key pattern and cruise control switch enhance operability. And paddle shifts lend a more involved driving experience.

FULL-COLOUR TFT MULTI-INFORMATION DISPLAY INFORMATION AT A GLANCE

A new Multi-Information Display indicates crucial information like fuel economy, average speed, Dynamic Torque Control Display, or obstacles when sensors are activated, for a more informed drive.

TOYOTA INTOUCH TELEMATICS SYSTEM STAY CONNECTED ON THE ROAD

Stay seamlessly InTouch with your drive, with the touchscreen interface, connectivity to your smart phone, GPS Navigation, vicinity search, air gestures and many other smart features.

INTERIOR TRIM & STITCHING INTRICATE CRAFTSMANSHIP

Experience a new sense of joy and excitement in the meticulously crafted interior, lined with premium leather upholstery - a true hallmark of absolute attention to detail.

MULTI-PURPOSE INTERIOR SPACIOUS & VERSATILE

Achieve generous space by simply folding the rear seats and you are ready to store almost anything; from a full-set golf kit to multiple luggage for a holiday.

Exhilarating Performance

Impressive power that delivers a completely different class of driving

2.0L VALVEMATIC DUAL VVT-I ENGINE WITH START/STOP TECHNOLOGY

IMPROVED FUEL EFFICIENCY & DRIVABILITY

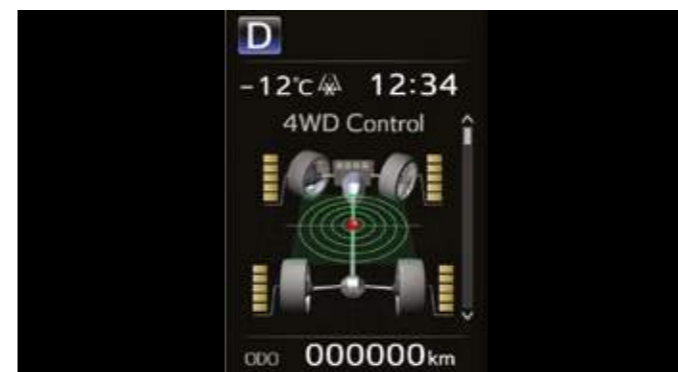

Take the reins to the formidable Dual VVT-i, 2.0-litre, inline 4-cylinder type 3ZR-FAE engine. For added performance, it utilises a variable length intake manifold system and variable output oil pump. Efficient emission technologies and a Start/Stop System reduce fuel consumption, increase power output, lower emissions and help reduce vibration and noise.

7-SPEED CVT

SEAMLESS DRIVING & IMPROVED FUEL ECONOMY

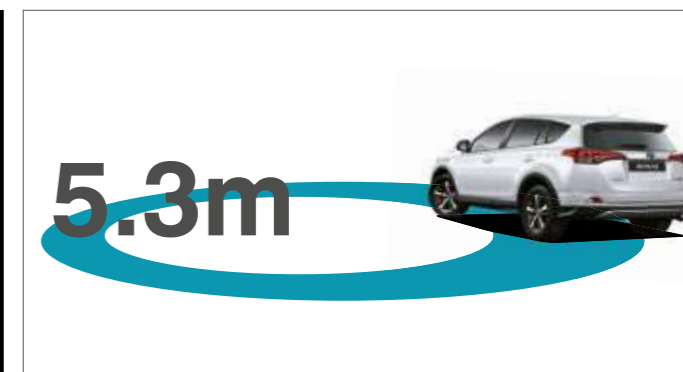

The RAV4's highly efficient transaxle works in conjunction with the engine for a more engaging drive. Controlled via a leather gear knob, the 7-speed Sport Sequential Shiftmatic mode responds to aggressive shift operation when in 'M' gear. Shift operations can be performed even in 'D' gear by using the paddle shift switches on the steering wheel.

DYNAMIC TORQUE CONTROL AWD SYSTEM

IMPROVED STABILITY & HANDLING

Experience a system that delivers superb traction and fuel economy. Stay in line while driving on a road regardless of the condition of the path. Enjoy enhanced driving pleasure, thanks to great handling stability that resembles sports driving.

LOW TURNING RADIUS

AGILITY & MANOEUVRABILITY

Enhance your agility and manoeuvrability with a low turning radius of just 5.3m.

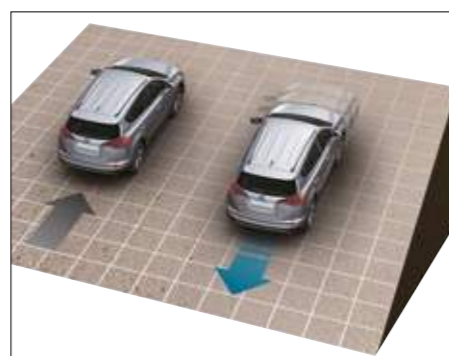

Best-In-Class Protection

Experience peace of mind with class-leading safety features

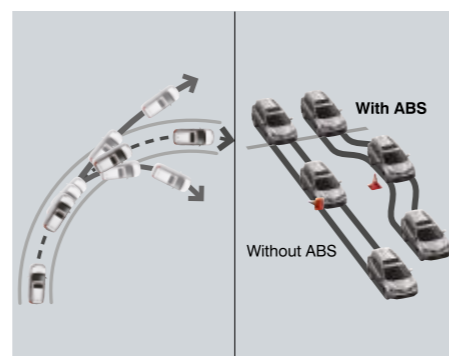

7 SRS AIRBAGS 360° PROTECTION

Drive in peace knowing that the RAV4 has dual front, side, curtain and driver's knee airbags that provide maximum safety for you and your family.

HILL START & DOWNHILL ASSIST CONTROL SUPERIOR INCLINE & DOWNHILL SUPPORT

Hill Start Assist minimises vehicle roll-back on steep inclines by controlling the brake fluid pressure. Downhill Assist Control enables the vehicle to move downhill at a constant low speed without locking the wheels.

VEHICLE STABILITY CONTROL WITH ANTI-LOCK BRAKING SYSTEM MAINTAINS STABILITY & TRACTION

Vehicle Stability Control manages engine output and brakes on each wheel when over or under steering, especially during cornering. Advanced ABS prevents skidding by stopping wheels from locking when braking hard or engaging slippery surfaces.

AUTO RAIN-SENSING WIPERS HANDS-FREE CONVENIENCE

Intelligent sensors detect rainfall on the windscreen and turn on the wipers automatically. The system even adjusts wiper speed according to rain volume and vehicle speed, ensuring the safest driving conditions.

REVERSE CAMERA WITH FRONT AND BACK SONARS HEIGHTENED AWARENESS

A live camera feed equipped with front and back sonars allow the driver to manoeuvre into the tightest of parking spaces.

COMPREHENSIVE ANTI-THEFT SYSTEM ENGINE IMMOBILISER & ALARM

A transponder operated immobiliser system prevents the engine from starting if a key has not been previously registered in the ECU. Double locking system prevents unauthorised access by preventing unlocking from both the interior and exterior. A security alarm and hazard lamps are activated when intrusion is detected.

Toyota is the world's top R&D spender, investing almost US\$9 billion a year. That's more than US\$1 million an hour.

At Toyota, we believe that there is Always a Better Way. Our R&D is a testament to our "Kaizen" spirit – the Japanese philosophy of continuous improvement. This is how we've become a global benchmark for Quality, Durability and Reliability. Coupled with constant innovation and creativity, we anticipate your mobility needs so you can always look forward to better cars.

For instance, we've taken driving to the next level with our innovative Toyota InTouch Telematics System that integrates entertainment, navigation and connectivity. Also added is the RAV4's impressive 2.0 Valvematic VVT-i engine with Start/Stop technology, which maximises power output and fuel efficiency while keeping emissions low. And to top things off, Toyota has made driving fun again with a responsive 7-speed CVT that gives you greater control on the road.

These are just a few achievements that have made us a global benchmark for Quality, Durability and Reliability. We're constantly combining creativity and innovation to anticipate your mobility needs. So you can always look forward to better cars.

TOYOTA. ALWAYS BETTER.

Toyota InTouch Telematics System

2.0 Valvematic VVT-i engine with Start/Stop technology

7-speed CVT

When you buy a Toyota from Borneo Motors, you get more than just a car. You get the satisfaction, assurance, support and convenience that are best captured in our brand promise: **Always Better.**

Always Better Cars

It is this same promise that drives us to understand your lifestyle. That's why we offer a range of models that caters to your needs today with innovations that fulfil the requirements of tomorrow. For example, Dual VVT-i engines that deliver a superior blend of performance and fuel economy, and Hybrid Synergy Drive, which minimises carbon emissions for cleaner air and a better quality of life. All these and more are part of the Toyota ownership experience that has grown to become the industry's benchmark.

Always Better Assurance

From the moment you collect your car, you will feel the world-renowned Toyota difference of Quality, Durability and Reliability, or QDR, as we call it.

This difference is further bolstered by an impressive five-year unlimited-mileage warranty, plus one year's servicing*. During which, and beyond, you can rest assured that your car will be cared for by our certified specialists, who use the latest in technology, precision tools and Toyota genuine parts.

These are just some of the things we have in place to ensure your car keeps performing the way it should – like a Toyota.

Always Better Experiences

No matter which facility you choose, you will receive that special Toyota touch, which gives you an ownership experience unlike any other.

It all starts at Toyota World, our experiential showroom that is designed to serve you better. One of the ownership privileges you'll appreciate is our online booking service, which allows you to make an appointment at any of our ten service facilities and body care centres islandwide. You will even receive an SMS reminder as your appointment date draws near, so you can better manage your time.

Toyota Service Express also guarantees to have your car serviced, manually cleaned, vacuumed and ready in just one hour**, or you pay only half. And should the need arise, you can count on our Toyota Body Express to get your repair works done efficiently in four systematic stages: Disassembly, Bodyworks & Paint Preparation, Paint Application and Assembly & Inspection.

Either way, we will make sure your car comes out as good as new.

Always Better Value

To reward your ownership experience with exceptional value, Toyota ME™, our loyalty programme, earns you points for all your purchases made at Toyota World. With these points you can redeem any of your preferred merchandise under the programme, or use them to offset the bill from your next service appointment.

While Toyota Shine Plus takes care of your car's grooming needs with special waxing and detailing packages. The first programme of its kind in the market, it helps you keep your car looking showroom-fresh. Complimentary with every new car purchase, it also offers insurance waivers and discounts on all body repair services.

These are just some of many things we have put in place to give you better mobility, quality and the best car ownership experience. But more than that, it is our way of helping you lead a better lifestyle.

Toyota. Always Better.
