

## TECHNICAL SPECIFICATIONS

Model	L200 Triton 2.4 Manual		L200 Triton 2.4 Auto
Engine			
Type	4N15, DOHC		
Engine Capacity (CC)	2,442		
Emission Standard	Euro 6		
Max. Output kW (PS) / rpm	113 (151) / 3,500	133 (178) / 3,500	
Max. Torque Nm / rpm	380 / 1,500 - 2,500		430 / 2,500
Transmission	6-speed manual	5-speed automatic with Sports Mode	
Drive System	4WD Selectable		
Fuel system			
Fuel supply equipment	Electronic Common Rail Direct Injection		
Fuel tank capacity (litres)	75		
Fuel consumption (L/100km) combined	6.9	7.5	
CO <sub>2</sub> Emission (g/km)	180	196	
General			
Steering	Rack-and-pinion, Power assisted		
Suspension Front	Wishbone, coil springs		
Suspension Back	Elliptic leaf, springs		
Brakes Front	Ventilated Discs		
Brakes Back	Leading-and-Trailing Drums		
Performance			
Turning radius (m)	5.9		
Top speed (km/h)	167	175	
Weights & Dimensions (mm)			
Overall length	5,205	5,205	
Overall width	1,785	1,815	
Overall height	1,775	1,780	
Wheelbase	3,000		
Ground clearance	225	270	
Cargo bed length	1,520		
Cargo bed width	1,470		
Cargo bed height	475		
Gross vehicle weight (kg)	2,900	2,910	
Kerb weight (kg, est)	1,800	1,800	
Tyres (front & rear)	205 / 70R16 with 16"		245 / 70R16 with 16"

## EXTERIOR COLORS

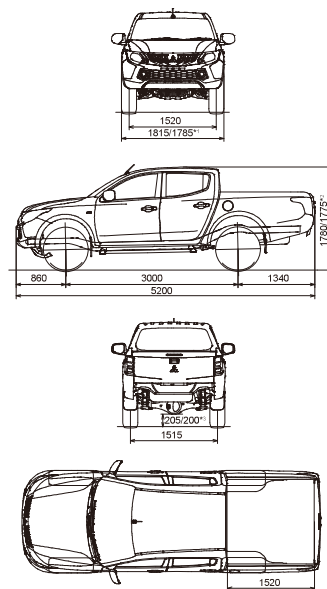

White Solid (W32)

Sterling Silver Metallic (U25)

## DIMENSIONAL VIEWS

Double Cab (4WD)

## PEACE OF MIND

# L200

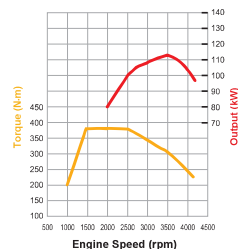

## Dynamic Power

Power is supplied in abundance whenever you need it, from your choice of one gasoline and three diesel engines, including a 2.4-liter powerhouse that generates an impressive 133kW/3500rpm. Whatever the driving conditions, the L200 has what it takes to accomplish your mission.

6 speed manual transmission

5 speed auto transmission with sports mode

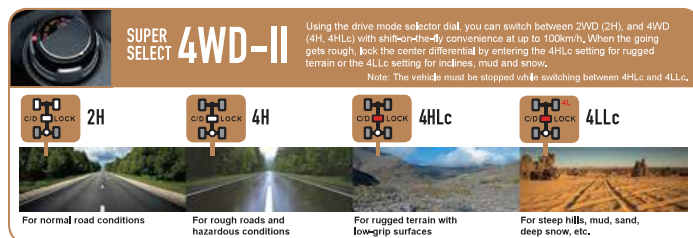

## A Stylish Show of Strength. MITSUBISHI L200

Feel the power. Feel the handling. Feel a new level of comfort in an entirely new class of vehicle. The all new MITSUBISHI L200, it's all truck and all car and it changes the way you think about getting from one place to another.

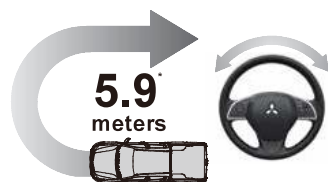

## Robust Handling

The L200 is built for maximum stability and traction. Its rugged frame contributes to solid handling and its body is aerodynamically contoured for stable highway performance. Reliable 4WD traction combines with an advanced suspension to keep you in touch with surface conditions so you stay in firm control.

### Easy select 4WD

Switch from smooth 2WD (2H) highway performance to rugged 4WD (4H) traction while driving at up to 100km/h. Transfer torque to all four wheels with a flick of the drive mode selector dial in the 4H mode or by entering the 4L mode, which provides lower gear ratios and higher torque for slower speed driving in rough terrain.

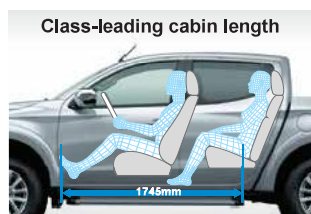

### Class-leading 5.9m turning radius

The turning radius is surprisingly small for a vehicle of this size, making the L200 especially easy to park and maneuver. 4WD: 5.9 meters

### Quick, responsive handling

Steering is sporty and responsive, requiring less effort to turn.

### Class-leading cabin length

## Safety

### RISE body

Collision safety performance is significantly enhanced by Mitsubishi's RISE (Reinforced Impact Safety Evolution) body, which efficiently absorbs energy and maintains high cabin integrity in the event of a collision.

### Rigid lightweight body

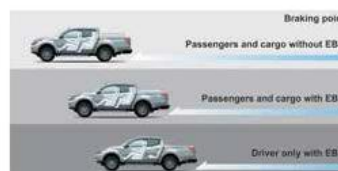

The body is extremely sturdy and lightweight, thanks to the generous use of high tensile strength steel plates that also contribute to a high level of collision safety.

### 7 SRS airbags

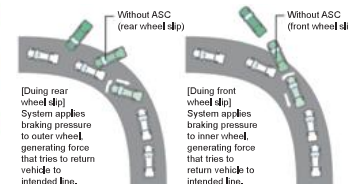

In the event of a collision, seven SRS airbags help protect you and your passengers by absorbing the force of impact. The system includes front airbags, front side airbags, curtain airbags and a driver's knee airbag. (Optional on GLS)

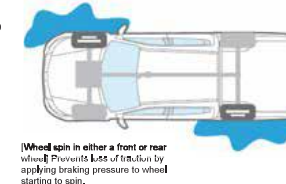

### ABS with EBD

The L200's ABS gives you the ability to suddenly maneuver safely around obstacles as you slow down. EBD (Electronic Brake-force Distribution) assists by applying additional force to the rear brakes as needed, enabling quicker stops even when carrying passengers and heavy loads.

### Operational Schematic of Active Stability Control

### Operational Schematic of Active Traction Control

## Convenience (Auto Only)

### Audio System with 6.1-inch Full-color Display

The L200 now features a display with 6.1-inch full-color touch screen. In addition to giving you full control over a wide range of audio options, the display also links to the rearview camera.

- 1 Easy-to-select menu  
The intuitive interface makes selecting functions safe and easy.
- 2 Rearview camera  
Safely navigate into even tight parking spaces.
- 3 USB connectivity  
Select music directly from your portable player.
- 4 Hands-free Bluetooth® telephone  
Incoming calls are displayed for easy viewing.
