The perfect family car.

Family cars don't need to be boring. A wide cascading chrome grille and 19-inch alloy wheels make for the SUV's new unique and bold design. Composite lights also give the car a high-tech allure, ready for family adventures.

Packed with features. Ready for stories.

With the comforts inside the car, you will never again miss an important family moment. The Head-Up Display provides information directly and conveniently on the front windshield glass, the Wireless Smartphone Charging System lets you charge your phone with ease, and with the Integrated Memory System you no longer have to adjust your seat every time you get into the car.

C	D

A. Blind-Spot Collision-Avoidance Warning (BCW)

Radar sensors in the rear bumper are used to warn the driver of approaching vehicles in the blind spot and activate the warning when there is a collision risk in lane changing maneuvers.

B. Rear Cross-Traffic Collision-Avoidance Warning (RCCW)

Radar sensors in the rear bumper monitor cross traffic approaching from left and right side of the vehicle during reverse maneuvers, and it will activate the warning to prevent from collision.

C. 8-speed Automatic Transmission (Diesel) / 6-speed Automatic Transmission (Petrol)

D. Electric Parking Brake (EPB)

Advanced High Strength Steel (AHSS)

With the extensive use of additional hot stamping materials and Advanced High Strength Steel (AHSS) plates, the average tensile strength and skeletal rigidity of the car body has been improved by 15% and 17% respectively, providing a highly stable and quiet drive at once.

6-airbag System

A 6-airbag system with front & side airbags and curtain airbags offers broad collision protection. Advanced frontal airbags determine when and how to deploy pressure in an accident by sensing occupant's position, seat belt use and the severity of the crash.
